

STUDIO HART MURAL PRICING 2017

Minimum Price: Murals painted on site will have a minimum starting price of \$750.00
Murals can also be painted on canvas in the studio, to be installed in your home.
This can be less time consuming than on site painting and less hassle for the client.

Pricing ranges from \$12 - \$105 per square foot. The smaller the area painted, means higher SF pricing.

(Square Foot is determined by multiplying the height x width of the painting surface)

*Price per square foot may increase if design requested is complex. This will be indicated in price quote and determined at the time that the final sketch is approved.

SAMPLE PRICING, per square foot: This is a guide only. Each mural will be priced individually, so yours could be less or more depending on circumstances.
